The group discussed the information presented in the packet. The information included the Baker Road and Dexter Ann Arbor Road Corridor goals from the Master Plan, the maps of the corridors from the Master Plan, a DRAFT proposed revision to the Dexter Ann Arbor Road Corridor Ordinance (Article 15B) and how the committee should move forward.

It was discussed that the committee would work with Carlisle Wortman to come up with an ordinance for the Baker Road Corridor separate from the Dexter Ann Arbor Road Corridor because the corridors are different and have different needs. Bishop will work with Carlisle Wortman to come up with an ordinance and the committee will meet again to review the ordinance and discuss presentation to the Planning Commission.

There was no audience participation.

Adjourned at 7:25 pm.
