

Community Park Gazebo Now Open!

On June 5, 2007 the Parks Commission held a dedication and grand opening ceremony for the new gazebo in Dexter's Community Park. The Community Park is located off of Ryan Drive, behind LaFontaine Chevrolet.

Community Park is open to the public and has play equipment for children of all ages. There are swings, porta potties, a walking path, picnic tables, rain gardens and now a first class gazebo with electricity for concerts, music or small gatherings. The gazebo can also be reserved by the public for events by calling the Village Office at 734-426-8303.

Special thanks is given to those community stewards that helped make the project become a success:

AR Brouwer, Dexter Lions Club, HOBBS + BLACK Architects, Norfolk Development, Dexter Village Council, Dexter Parks Commission, Busch's, Cowhy Hayes Construction,

Desai/Nasr Consulting Engineers, Hopp Electric, Huron Farms Co-Owners Association, Koch Masonry, Orchard Hiltz & McCliment, Peters Building Company, Poured Brick Walls, Top

Grade Excavating, DTE, Dexter Chamber of Commerce, DAPCO, United Bank and Trust, St. Josephs Church, William and Mary Ann Steptoe, Comfort Zone Mechanical, and Hackney Hardware.
